

Quaker United Nations Office

Quaker United Nations Summer School 7–19 July 2019, Geneva

For 20- to 26-year-olds who have a keen interest in the United Nations, with a focus on Peace, Disarmament, Human Rights, Migration and Climate Change

Find out more about Quaker work at the international level and witness the United Nations in action as part of a dynamic 12-day residential programme, equipping you with the skills to think constructively about the value of multilateralism

Application forms and more information are available from:
