

How to use this display

We invite you to share your hopes for the outcome of a general election.

1. Have a look at the display to see the kinds of things people have written.
2. Take a handprint card and write your hope on the palm.
3. Stick your card onto the wall near the value you think it relates to. If you think it relates to all the values, stick it somewhere in the middle.
4. Take a photo and put it on Twitter, Facebook or Instagram, tagging @BritishQuakers.
5. Share the idea with your friends and family so that we can all have positive, respectful conversations about politics.
