

Central Nominations Committee

Can you see the spark of potential in others?
Can you match people and roles?
Can you bring faith, hope and love to nominations?

What is CNC?

The committee matches the gifts of Friends across Britain to roles serving Britain Yearly Meeting. The committee nominates Friends to serve on central committees and groups, and outside bodies.

What is needed?

We are an active and vibrant committee working to fill roughly 100 roles every year. We meet 4 times a year in London and across Britain. Friends on average do 4-5 hours of work for the committee per week.
