

Outreach Conference 2019

Making Quakers well known
and widely understood

High Leigh Conference Centre,
Hertfordshire, 15–17 February 2019

This event is aimed at Quakers who are keen to reach out, and who want to help build dynamic, welcoming Quaker communities. This will be an inclusive event, with all ages listening, worshipping and taking action in the same space – sometimes in large groups and sometimes in smaller clusters.

We are all reminded of the need to be a tender and inclusive community. Our objectives for the weekend are to enable those attending (irrespective of age, family status, background etc.) to:

- actively and creatively engage in outreach in their local area
- learn the value of inclusion, and bring it to the attention of local and area meetings
- be better equipped for outreach with a range of tools and ideas.

We invite appointed people from area meetings. We also welcome bookings from interested individuals and those involved in Quaker groups or communities.
