Preparation – You will need an internet connection and the ability to show a film clip, which is available here [https://www.youtube.com/watch?v=vbug7w3ZDUQ](https://www.youtube.com/watch?v=vbug7w3ZDUQ). Arrange the meeting room so that everyone will be able to see the film. Place some paper and pencils around the room.

During the meeting
Begin with a time of silence, then show the Disney Pixar film La Luna, which lasts just under 7 minutes. Afterwards, welcome everyone to worship and explain that ministry can be spoken, written or drawn. You might like to share some questions about the film – leaving some space between each one, such as:

- I wonder which part of the film you liked best.
- Did anything surprise you?
- What does the story tell us about listening to children and about different generations spending time with each other?

Wait for any ministry that arises.
Close the meeting with shaking hands – maybe inviting two children to be the first to shake hands.
